SENIOR CLASS HISTORY

We, the class of 1937 have sailed on four happy and never to be forgotten voyages. Favorable winds have blown. We have had rough seas, but we have always weathered them.

On our first voyage, there was many a dubious look from the old sea-men, dis-upper classmen. Would these noisy, disorderly "gobs" ever do anything worthwhile? Yes, we did. After the upper classmen gave us a rousing "Rodeo Initiation," we settled down. Phil Serpa was chosen as our captain for our voyage. In athletics we were the tops. The C basketball team, which won county championship contained six freshmen. Jay Moody showed our school-fellows a thing or two in broad-jumping.

We certainly did mortify those upper classmen by winning the Red Cross Drive.

As freshmen, the girls had in one half year, only four points off for uniforms. This was one of the best records which had been made in years.

On our second voyage as sophomores we began to show our fellow sailors that we were going places and doing things. Favorable winds were blowing and a peaceful year, with few squalls, was predicted. This year for captain, we elected Cliff Fast. Coach Beiden was our very able adviser. Ours was an unusually intelligent class. High grades were many. There were more sophomores in the Honor Society than any other class.

This year, as in the year previous, the girls all cooperated and came out in the end of the year with the least number of points off for uniform check-up.

Tired, but proud of our fine record, we sailed into part of the year 1935.

The Third Voyage! Indeed a glamorous year. We felt years older and much wiser. The year of the Junior Prom and Junior Rings! With Chester Smith as president and Mr. Carpenter as adviser we got off to a

grand start. In football, in baseball and in basketball we carried off honors with such men as Archie Azabez, Jay Moody, Johnnie Kahl, Frank Barba and many others.

Under the captaincy of Alice Ryan, the girls won first place in basketball.

Our Junior play will always be remembered. "Adam and Eva," the play, was under the direction of Miss Willet and was a huge success. This was our first attempt at a class play and we are very proud of it.

As this voyage rolled on to a finish, we impatiently waited for that fourth well-known voyage.

Seniors!! Was it possible we had that envious position? With Arthur White as president, Larry Hewson, vice-president, Gwendolyn Anderson, secretary, Geraldine Anderson, treasurer and Mr. Carpenter as adviser, we naturally assumed the position as leaders of the school.

There were two members of our class to receive the Life Membership in the C.S.F. They were Irene Sinclair and Gwendolyn Anderson.

Our athletic team is one of the very best. Bob Edwards took many honors in the high-jump and broad-jump. Jay Moody should not be forgotten for his splendid work. Cliff Fast and Ray Heaton and many others won new respect from our class for their performances. In baseball John Kahl and Frank Barba were grand top-notchers.

I'm sure that no senior will ever forget our ditch day. With snow, sleds and big trees, Grant's Park was indeed a beautiful sight to us.

This was the year also for that senior play. The seniors before us have always had great success with their plays. The same thing can be said about our "Charm School." Few will forget that superb production under the direction of Miss Easterling.

We, the class of 1937, were the largest class to ever graduate from Paso High. Eighty-seven students walked sadly across the stage to receive their diplomas. Eighty-seven students were going out to conquer new worlds.

Karl Glass, Albert Claassen, William Banks, Wilmar Ernst, Wilfred Cammack, Kenneth Fitzgibbons, Tony Aguilar, Willard Abbey, Edgar Eimon, Sherman Andrews, Art Dobson, James Farnell, Margaret Fairbairn, Phyllis Johnson, Miss Easterling, Mary Jane Belza, Emma Garelli, Kitty Belle Curtis, Bob Grebe, Kenneth Barba, Marie Bayer, Mildred Azbell, Beth Drake, Lillian Bryant, Marion Flamson, Irene Akers, Ruth Johnson, Bertha Fast, Dorothy Hoover.

Harold Tiahrt, Paul Quenzer, Art Schneider, Bill Livingston, Frank Toner, Bud Sheely, Ollie More, John Steaffens, Martin Rasmussen, Herman Schinbine, Morris Leib, James Richards, Richard Shannon, Clinton Steele, Ruth Teese, Dortha Nell Winkelman, Elsie Moetsch, Catherine Wilkerson, Lillian Swayze, Louise Plom, Kay McLaughlin, Suzanne Vorrath, Audrey Jane Orcutt, Dorothy Wolf, Tommie Uchytel, George Stoltenberg, Myrtle Paulus, Aileen Schroeder, Lorraine Pelletier, Doris Morehouse, Garnet Pyeatt, Elizabeth Quenzer, Caroline Weaver, Ella Wiebe, Gladys Testerman, Ethel McClintock, Helen Nidiver, Carolyn Lones, Jean Smith, Ruth McWilliams.

The members of the class of '38 have been upper classmen for a year and feel that they are prepared to take over the leadership of the school during the coming year. The officers chosen at the beginning of the year were as follows: President, Frank Toner; vice-president, Marion Flamson; secretary, Audrey Jane Orcutt; treasurer, Lillian Swayze; and adviser, Catherine Easterling.

The students of this class are distributed in all fields of activity being represented in boys' athletics by Frank Toner and Bob Grebe in football, Frank Toner, basketball, Bud sheely, baseball and Frank Toner and Bob Grebe in track. In girls' athletics, the Junior team showed itself superior by winning the interclass speedball contest. Also they made a good showing in the tennis tournament held at the end of the year.

Those class members who were in the C.S.F. sometime during the year are Marion Flamson, Mildred Azbell, Arthur Schneider, Helen Nidever, Dorothy Wolf, Phyllis Johnson, and Bill Livingston.

J U N I O R S

Coach Beiden, Bill Hargus, Alvin Fink, Morris Ernst, Allan Johnson, Roland Coates, Frank Agee, Ralph Barrett, Eugene Ernst, Junior Dille, Stanford Brown, John Belza, Andy Holme, Lester Dauth, Donald Ede, Russell Harris, Francis Buchanan, Mildred Jacques, Margaret Coyner, Margie Fox, George Ballert, Ray Asabez, Howard Claassen, Leslie Dodd, Arthur Bower, Floy Frazier, Lucille Brumbly, Aileen Davis, Pauline Harris, Pearl Gale, Betty Halter, Florence Frazier, Ellen Ellis, Alta Jespersen, Beverly Iversen, Margaret Fees, Evelyn Henry.

Newell Terrill, Martin Kuehl, Charles Rucker, Boyd Shaw, Everett Tucker, Eugene Mills, Harvey Stahl, Leroy Sargent, Ralph Von Dollen, Chester Testerman, Ellsworth Smart, Walter Snibley, Jim McWilliams, Duane Mitchell, Floyd Agee, Dick Rougeot, Robert Freeman, Lloyd Shaffer, Henrietta Reed, Marion Kuhnle, Katherine Ramage, Florence Wakeman, Velma Swain, Solveig Moe, Thelma Turnbow, Walter Tiaht, Henry Kenny, Harold Ruth, Francis Nielsen, Ruth Lipscomb, Shirley Reinke, Rae Ellen Ludeke, Ruth Martinez, Roxie Ann Taylor, Janet Keefer, Ruby McClintock, Emely Sandling, Phyllis Price, Eugenia Simmons, Louise Peachey, Gale Lewey, Edna Langenwalter.

This class has completed its sophomore year which is supposed to be the most eventful year in high school, but that's not true in this class. They will receive their class rings earlier than any previous class because they ordered them in the latter part of their second year in high school.

They chose their class officers as follows: President, Kenneth Sinclair; vice-president, Andy Holme; secretary-treasurer, Pauline Harris; and class adviser, Henry Beiden.

Their important representatives in football were Alvin Fink and Kenneth Sinclair. Alvin Fink excelled in basketball. Dick Rougeot and Jimmy McWilliams were outstanding on the baseball diamond and Chester Testerman was important to the track team. In girls' athletics, the volleyball championship was won by this class.

There were some members from this class in the P.R. Club and they were well represented in the Intermediate Hi-Y and Girl Reserve Clubs. Those from this class who were C.S.F. members during the year were Eugenia Simmons, Allan Johnson, Marjorie Fox, Margaret Fees, and Solveig Moe.

The members of this class are so enthusiastic and interested in everything that they will go far before they quit.

S O P H O M O R E S

F R E S H M E N

Another freshman class is on its way through high school and of course this one is more outstanding than the last. After a grueling initiation held in front of the entire student body the class settled down to work—or play. As their class officers they chose the following: President, Donald Steiner; vice-president, Robert Nicklas; secretary-treasurer, Lottie Clevenger; and class adviser, Nicholas M. Nugent.

In years to come this "Baby Class" will be remembered for the successful barn dance they sponsored. As yet they have no star athletes but they have hopes. The girls won no interclass contests but too much can't be expected of them in their first year.

The Intermediate Girl Reserve Club has a large membership of Freshmen, but the Freshmen boys formed their own Hi-Y group this year, being separate from the Intermediate. Those who were C.S.F. members during the year were Mable Bone and Carol Root.

The members of this class should be very grateful to their adviser who by his interest and cooperation in their class affairs has given them their right start in high school.

One of the principal accomplishments of the executive board, was the preparation of two new groups of amendments to the student body constitution. One group of amendments changed the awards from sweater to emblems and certificates. The other revised the service points and delegated to a Citizenship Committee composed of the president, Superintendent of Schools, commissioners of citizenship, Boys' welfare, Girls' Welfare, the handling of the students having over ten demerits. Both amendments were adopted by the student body. The board also voted to have a handbook started, to be edited the following year. The members met on Mondays this year instead of on Fridays as in previous years.

Through the splendid cooperation of faculty and students, this year the student body government was run very efficiently.

P. R. CLUB

The P.R. Club started out the year with the best officers ever elected. They are as follows: President, Frank Barba; vice-president, Jay Moody; secretary and treasurer, Lester Hoffman.

The major social event of the year was the annual picnic. This outing was thoroughly enjoyed by everyone participating. The annual Barn dance was one of the most successful of the school year.

Members who earned their letter in football are as follows: Chester Smith, Don Smith, Hector Banks, Arthur White, Frank Toner, Alvin Fink, Rusty Tolle, and Manager Ned Root.

A new amendment was passed making cross country men eligible for membership. Those who earned their letters are as follows: Art Schneider, Abraham Van Horn, Chester Testerman and Jim White.

Larry Hewson was the only track member to be taken in. Tom Freeman, Harold Tiahr, Jim McWilliams, and Dick Rougeot earned their letters in baseball.

The old members are as follows: Arian Ramage, Johnny Kahl, Bud Sheely, Lester Hoffman, Kenneth Sinclair, Frank Barba, Bob Edwards, Jay Moody, Cliff Fast, Archie Asabez, and Ray Heaton. The total membership at the end of the year was twenty-eight.

P. R. SOCIETY

The girls' letter-club, the P.R. Society, functioned this year under the excellent advisership of Miss McPeak. Alberta Christensen was the club president, Irene Sinclair, vice-president and Doris Ramage, secretary-treasurer. They held their meetings on the first and third Monday evenings of every month, usually having a pot-luck dinner before the regular business meeting. The point system was changed under the provisions of the new G.A.A. regulations. Each junior and senior of this year, who had never been in the P.R. Society, needed

twelve hundred points to become a member and eighteen hundred to become eligible for an award at the end of the year. Those upper-classmen already in the club needed five hundred points more to receive their award at the end of the year. From this year on, each girl, other than those of the classes of '37 and '38, must have thirteen hundred points to be allowed in this club and nineteen hundred for an award.

With a group of ambitious girls as members, the club has become more active and better known than ever before in its history.

JR. LETTERMAN'S CLUB

This club was organized for the purpose of extending higher ideals in sportsmanship and modeled its constitution after that of the P.R. Club. The membership consisted of those boys who were not physically prepared to participate in heavy-weight competition.

After "B" football, the boys voted Larry Hewson as president and under the direction of Mr. Hawk and Mr. Carpenter, a constitution was drawn up. Several "pot

lucks" have been held and membership has increased. The sweaters are jacket style with six-inch letters on the left pocket. Meetings are held on the first and third Wednesdays of each month. The members are as follows: Kenneth Fitzgibbons, Larry Hewson, Henry Kenny, Bill Huggins, Martin Kuehl, Harold West, Leonard Smith, Junior Dille, Norman Hall, Walter Bonenheim, Roland Coates, Dick Rougeot, Tommy Uchytel, and Murl Carter.

HONOR SOCIETY

The officers for the year were as follows: President, Allan Johnson; Vice-President, Charles Gustafson; Secretary, Gwendolyn Anderson; Treasurer, Elizabeth Shimmin.

The club this year has tried to make itself better known as an organization and has accomplished more things than ever before. Every year a certain amount of money must be earned to pay for the engraving of the names of the Life Members of the California Scholarship Federation on the plaque purchased for that purpose. Instead of hav-

ing candy sales, books were sold, containing the recipes of many of the well-known cooks in the community.

In May the annual dinner was held at the Canary Cottage. On April 10 several members went to the conference held at San Mateo. In February, the Atascadero chapter held a district meeting which a number of the Paso Robles members attended. Atascadero also invited the Paso Robles Chapter to attend their initiation ceremony which was a new idea to this particular organization.

BEARCAT

Under the advisership of Miss Virginia Ayars and the editorship of Phyllis McMahan and Barbara Underwood, the Bearcat staff has labored long and earnestly to produce a newspaper which has won the respect not only of the Paso Robles student body, but of approximately forty other high schools with whom an exchange of newspapers is carried on.

This year a rotating system was devised whereby all the reporters had a chance to deal with various types of newspaper writ-

ing and editing. The last half of the year, four page editors were chosen and assigned a particular page of the "Bearcat" for which to be responsible. The page editors' duties were to make a dummy of their page, write heads for stories and see that all of the material was in for their page.

The Bearcat consisted of four printed pages filled with news stories, sports, editorial and features. Many surprise features, such as an April Fool edition, a puzzle assembly and various other contests were greatly enjoyed by the Bearcat readers.

GIRLS' LEAGUE

Although the Girls' League has had many successful years, the one which has just been completed has outdone all others. Through the outstanding efforts of Louise Larsen, president, and Miss Ayars, adviser, many enjoyable parties and successful meetings have been held.

The cabinet officers for the year were: President, Louise Larsen; Vice-President, Lillian Hirschler; Secretary and Treasurer, Alberta Christensen; Big Sisters, Rose and Blanche Smith; Check-up Chairman, Lillian Swayze; Program Chairman, Anna Cundet; and Service Chairman, Lillis Hoover.

As a "get acquainted" affair, the first social event was a "Big and Little Sister Party." The second social event was the

annual Christmas Party given on December 17. With Mr. "Nick" Nugent, Spanish teacher, acting as Santa Claus, a lovely present was distributed to each girl. Decorations carried out the Christmas motif, making the spirit shine brightly.

The activities of the group this year were very numerous. A girl from each class was represented at the Mid-Winter Conference in Santa Cruz. Also there were a number of girls represented at the Asilomar Conference.

A uniformed doll was given to the group to be used as a prize for the class with the fewest number of points off on uniforms. The girls sold felt emblems to encourage school spirit and raise money.

Making pronounced and rapid progress, the music department, under the direction of LeRoy S. Fager, has really gone places and done things this year. A great accomplishment was the purchase of uniforms for the band and glee clubs.

The Mid Winter Concert marked the first public appearance of the music department as a whole, and the Boys' and Girls' Glee Clubs and Band in their new uniforms.

Clad in red and white gabardine uniforms, the band started the year off right by playing several numbers for the Junior Play, "Growing Pains." A good deal of school spirit was shown when the band played for the rallies and football games. And, of course for the SL-PR bonfire and rally. Strutting their very best, the band took part in the Pioneer Day Parade, and much to their surprise won first prize.

The Boys' Glee Club, which proved to be a favorite not only at school but among the various town organizations, "yodeled" for the Schoolmasters' dinner, Community Chorus party, Rotary Club meetings, and special assemblies. Best of all, the club was invited to participate in the San Luis Obispo Talent Contest. The recording machine recorded large applause for the glee club and a \$10.00 prize was awarded to them. The boys, dressed in white flannel trousers, dark coat, white shirt, and maroon tie, made many other public appearances throughout the year. A tremendous increase of thirty members has been seen this year, compared to last year's membership of eight.

Attired in the latest fashion, a blue and white tunic costume, the Girls' Glee Club provided entertainment for special assemblies and Rotary Club meetings, and the P.T.A. show. Both Glee Clubs did their utmost in providing singing for the exchange programs for their neighboring schools.

The entire music organization was well represented at the music festivals in Paso Robles, May 14; and in Atascadero, May 7. Many music departments of the county participated.

On May 28, an Indian operetta "Lelawala" was presented. The operetta is centered around a lovely Indian girl who sacrifices her life in the Thunder Water of Niagara for her tribe.

The characters were: Wokomis, chief of the Oniahgahrah tribe, Wilmar Ernst; Klolowar, son of the chief, Elbert Reed; Lelawala, daughter of the chief and Maid of Niagara, Mary Jane Sheely; Hintola, grandmother of Lelawala, Myrtle Morton; Shungela, rejected lover of Lelawala, Eugene Ernst; Eagle Eye, a famous scout, Bob Grebe; Major Wallace, commandant of fort, Bob Edwards; Mabel, daughter of the major, Eugenia Simmons; Captain Bliss, lover of Mabel, Lowell Bagby; Clarinda Bond, admirer of the Sergeant, Rose Smith; Sergeant Bilks, who admires himself, Andy Holmes; Tattler, who admires witticisms, Larry Hewson; Wanyeca, a romantic widow, Phyllis McMahan; Sowanas, Lelawala's lover, Leslie Anderson; Marpeetopah, medicine man, Bill Livingston.

Carefully arranged stage effects such as the roar of Niagara, and a moving canoe, added to the Indian atmosphere.

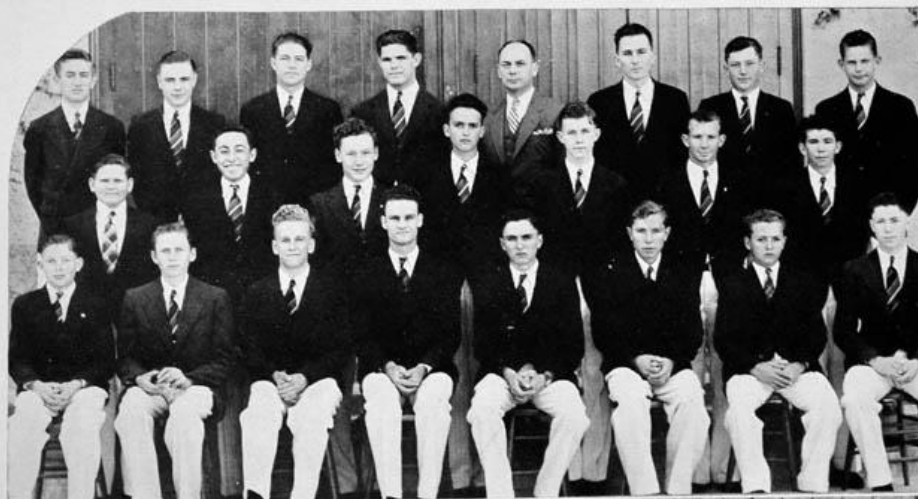

The orchestra has furnished music for various occasions, and was prepared to help whenever called upon. Besides taking part in the Mid Winter Concert and the Music Festival, the orchestra played for the May Queen procession, Senior Class Play, "Lelawala," Baccalaureate Services, and last but not least, Graduation.

SENIOR PLAY . . . "THE CHARM SCHOOL"
May 5, 1937

JUNIOR PLAY . . . "GROWING PAINS"
December 11, 1936

Miss Barbara Hendrick, who only this year joined the teaching staff of the high school, was not a bit backward when she selected a talented cast for a true-to-life play, which was given as the annual Junior class presentation. The play, "Growing Pains," was presented in December before a large audience.

This successful comedy was centered around two children in their early teens, who had just been afflicted with an overdose of adolescence. Parents in the audience were delighted to find the problems confronting Mr. and Mrs. McIntyre were true to the many experiences that they themselves undergo with their own adolescent sons and daughters.

Mildred Azbell and Frank Toner, playing the brother and sister parts of Terry and George McIntyre, showed superb acting ability.

D R A M A

A glance at the following cast should bring a rush of memories—Terry's first evening slippers, George's outgrown pants, Omar's bad habit of stuttering and lending his Ford, Dutch's trick of ditching dates, Prudence's man stealing tactics—and recall the other adolescent touches lent to the play by its list of performers.

Those taking part were: George McIntyre, Frank Toner; Terry McIntyre, Mildred Azbell; Prof. McIntyre, Bill Livingston; Mrs. McIntyre, Suzanne Vorrath; Sophie, the tidy maid for the McIntyre's, Emma Mee; Brian, Bob Grebe; Dutch, John Hibbard; Hal, Albert Claassen; Omar, Kenneth Fitzgibbons; Pete, Kenneth Barba; Prudence Darling, Ruth Johnson; Patty, Marion Flammson; Jane, Lillian Swayze; Miriam, Eunice Nicklas; Mrs. Patterson, Jean Smith; Elsie Patterson, Evelyn Harms; Vivian, Phyllis Johnson; policeman, John Steaffens; Extra boys and girls; Helen Nidever, Caroline Weaver, Audrey Jane Orcutt, Jimmy Farnell, and Lawrence Bagby.

"You're the most silly, reckless, obstinate girl I ever knew—but you have got charm," and so saying the curtain was pulled on the annual Senior class play, "The Charm School."

This romantic comedy was presented on May 5, under the careful direction of Miss Catherine Easterling.

The play is centered around a girls' boarding school which has been inherited by Austin Bevans. The well selected cast that supported the "Charm School," are:

Austin Bevans, (Leslie Anderson) an automobile salesman with the IDEA of trying to teach girls CHARM, which David MacKenzie, (Fred Von Dollen) a law student considers unpractical, though George Boyd, (Jay Moody) an expert accountant, is willing to co-operate and so are Jim and Tim Simpkins (Clifford Fast and Charles Gustafson) who try to help out by teaching dancing. Homer Johns (Jack Hicks) who is the guardian of Elsie Benedotti, (Gwendolyn Anderson) the president of

the Senior class, which is presided over by Miss Hays (Louise Cuendet) who is loved and feared by all who know her including the secretary, Miss Curtis, (Gladys Kleck) who is always trying to think well of the Senior girls. The Senior class consists of Sally Boyd, (Mary Jane Sheely) George's sister, who likes to eat; Muriel Doughty, (Clara Rovenstein) Sally's friend and treasurer of the class; Ethel Spelvin, (Rose Smith) a musical miss; Alix Mercer, (Blanche Smith) a bewildered French girl; Lillian Stafford, (Eileen Galli) an All-American girl; Madge Kent, (Phyllis McMahan) although rather shy, she, at times likes to express herself, and Charlotte Gray, (Mary Richards) a non-important Junior.

Humor and romance is displayed throughout the play. Romance is particularly shown in the last scene as Miss Benedotti and Mr. Bevans frantically fall in love.

Topping all other Senior performances, this comedy exceeded the expectations of the audience.

"Poor Old Jim," coached by Mr. Carpenter, turned out to be a howling success. Everyone laughed so much that even a few tears were shed.

Imagine trying to keep your husband off the 'water wagon' by falling in love with the doctor and sending a telegram to his family telling them that he is dead. This is exactly what Marie did and the remedy proved to be very successful.

Coming home drunk, tossing your shoes on the clock, lying with one foot up in the air, then having a drunken fit, banging on doors and walking around like a crazed person, were some of the skillful tactics of the drunkard.

The part of the drunkard was very comically played by Larry Hewson; the doctor, Chester Smith; and Marie by Louise Cuendet.

Besides being given for an assembly program the play was presented at the Rotary Club, the Paso Robles Woman's Club, and was used as an exchange program.

Under the leadership of advisers Mr. Nugent, Mr. Whinnery and Mr. Beiden, the Hi-Y clubs enjoyed considerable success this year. A new addition this year was the Freshman Hi-Y composed of Freshman boys.

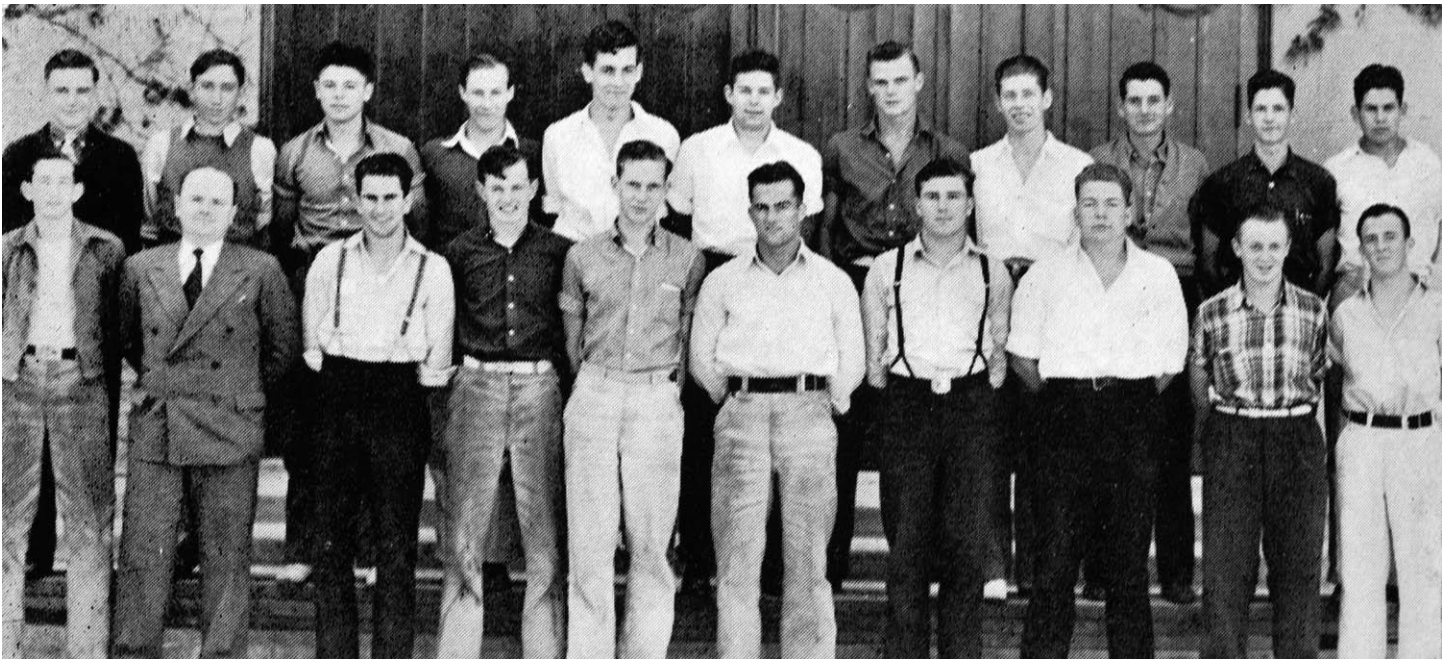

The officers for the Senior Hi-Y were as follows: President, Larry Hewson; vice-president, Chester Smith; secretary and treasurer, Charles Gustafson. The intermediate officers were: President, Lester Dauth; secretary, Andy Holmes; treasurer, Junior Dille; vice-president, Martin Kuehl. Freshman Hi-Y officers were: President, Donald Steiner; vice-president, Robert Raitt; secretary and treasurer, Robert Lyons.

A new method of taking in members was inaugurated through the medium of application blanks. All those who wished to live up to the rules and regulation of the club were admitted.

The Senior Hi-Y Club had several beach parties, pot-luck dinners, discussions and attended church as a group. The Freshman Hi-Y at the beginning of the year fixed the P.R. on the hill. Several times they had motion pictures. All the clubs attended the Tri-County Hi-Y conference at Ventura which will be held here next year.

The Senior Hi-Y club had a membership of about twenty-eight members, the Freshman had thirteen, and the Intermediate about five. The members of the Senior Hi-Y are as follows: Hector Banks, Chester Smith, Larry Hewson, Art White, Richard McCoy, Charles Gustafson, Ned Root, Bob Edwards, Abie Van Horn, Bob Grebe, Archie Asabez, Frank Barba, John Steaffens, Jack Hicks, Art Schneider, Art Dobson, Jim White, Frank Toner, Wilfred Cammack, Lowell Bagby, George Stoltenberg, Bill Livingston and Bunny Turnbow.

G I R L R E S E R V E S

The organization started out this year with about seventy enthusiastic and ambitious members. The Senior group chose as their theme for the year "Windows," and the Intermediate group chose "Charm," around which each club planned the year's work. The officers are as follows: Senior group: President, Phyllis McMahan; vice-president, Louise Larsen; secretary, Mildred Azbell; treasurer, Betty Shimmin; social chairman, Marion Flamson; program chairman, Mary Jane Sheely; service chairman, Dolly Baker; publicity chairman, Geraldine Anderson; song leader, Eileen Galli; pianist, Lillis Hoover; Ring Club president, Suzanne Vorrath; chaplain, Gwendolyn Anderson; assistant song leader, Phyllis Johnson; assistant pianist, Audrey Jane Orcutt and adviser, Mrs. Gene Bryan. The two most important projects of the year were those for service. On Pioneer Day the girls presided in a booth in the city park serving milk and graham crackers to those who wanted them. A second project was the collection of all the tinfoil available. This tinfoil was stripped and then sent to a children's hospital in San Francisco where it was sold and the money used to help crippled children.

Three years ago PRUHS inaugurated a five year plan in athletics. At that time, the Crimson and White had dropped into something not unlike a lace curtain in old rose and cream. Athletics had hit a definite low. El Robel Murmullo of "35" reports under football; "Not a game won. . ." in basketball; "The basketball team fared somewhat better . . . winning one game." That was three years ago. Now as we look over Coach Beiden's third year we find: Not a championship football squad, but the first one in Roblan history to defeat Santa Maria; divisional championship basketball quintet (nosed out of the county crown in the last minute of the playoff) and perhaps the strongest track contingent ever turned out of the Roblan plant.

What's the answer? You know it . . . You've seen him running around shouting "holy cow" a hundred times. The chances are he won't thank us for this, but nevertheless he deserves all the praise we can squeeze in. To Coach Beiden we offer congratulations and the wish that the final sessions of his "five year plan" are as successful as the first three.

F O O T B A L L

The '36 season was inaugurated with the King City meeting. As it has been for the past four years, the game was won by not more than one touchdown. This time the Bearcats nabbed the winning tally 7-0. The regulars in this game, as in most others, were Asabez, Ramage, D. Smith, C. Smith, Banks, White, Tolle, Fink, Edwards, Hoffman and Moody, with Toner spelling either Moody or Fink a good part of the time.

Next on the list came Taft, boasting valley championship possibilities. The Bearcast sent them home with nothing better than a 7-7 tie. The following two Saturdays saw Paso defeat an exceptionally strong Arroyo Grande eleven, 6-0, and then crush Lompoc 20-6.

As was the fate of this writer's three predecessors, we must report that the "Big Game" with San Luis went the way of all big games within the memory of most of us. Paso Robles' quarterback sensation, Lester Hoffman, ran 40 yards for a touchdown in the first two minutes of play. After that San Luis took things pretty much in their own hands to amass a total of 26 points before the final gun.

Displaying the courage that earned them the name of the "Battling Beiden Boys"

the Bearcats came back two weeks later to defeat Santa Maria 14-0. The season curtain was dropped with the Atascadero game in which a 60-yard dash by Atascadero's Estrada gave the strongest team in that school's history a 7-0 victory.

Football in the "B" division was only slightly less successful than in the "A" class. Coach Hawk's Bearkittens plowed their way through the season with one victory, three ties, and one defeat to rank third in the league. Those who saw the most action were: Bonneheim, L. Smith, West, Hewson, Fitzgibbons, Ernst, Dille, Huggins, Hoover and Kuehl.

B A S K E T B A L L

The caliber of the Bearcat basketball squad was summed up very well by the coach of the team that won the county title from the Bearcat's nose. After that fatal last minute of the playoff that saw Paso drop a five point lead, the San Luis "head man" turned to Coach Beiden and admitted: "We won the game, but I'm afraid it wasn't a case of the best team winning." That remark came from the coach of the Southern California champions.

In their league tilts, Paso Robles met Atascadero and won to the tune of 29-23 and 71-18 (to more than even the sour note the Beiden Boys struck in football) completely demolished Templeton 32-14 and 34-27, dropped one game 21-17 to our eastern brethren Shandon, only to come back and whip the outlaws 44-20 on the local court, and again 40-18 in the divisional playoff.

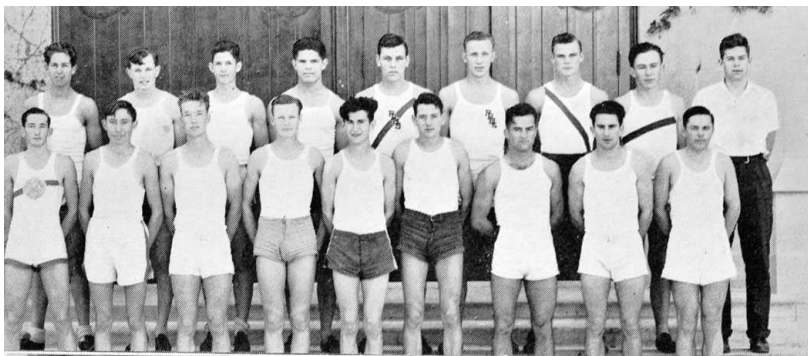

Then came the movie thriller featuring San Luis and Paso Robles for the county title. In the first half Fink, Asabez and Toner amassed 13 points for the Bearcats, while San Luis kept on the local boys' heels with 10. A great deal of the credit for the fact that the Tigers didn't have a longer column in the score went to Chester Smith who held Quinones, the San Luis "super man" down to one basket. . . In the second period Smith and the Bearcats as a whole, weren't quite as successful. Fink, Asabez

and Toner only mustered one basket apiece in the entire second period for the Bearcats. On the other side of the ledger, Quinones stepped out to garner six points singled-handed and his teammates another half dozen, to win the game 22-20. Although the Bearcat came out of the fray with a little the worst of the deal, as far as scoring was concerned, it was a grand finale to a grand season. Those who saw the most action throughout the season were Asabez, Gustafson, Toner, Anderson, Fink, Smith and Moody.

The B division of the Bearcat basketeers followed very nicely in the shadow of their bigger brothers winning 7 out of 7 scheduled games, and dropping the county playoff to San Luis 22-10.

San Luis was the only team to meet the kittens and come out with a theoretical clean nose. The "C" sters as usual were composed this year of "youngsters who will be." But unlike years past, this season's yearlings displayed unusual teamwork and finesse to come through the season with six wins and one defeat. Mainstays in the C roster included Dauth, Rougeot, Kenney, Ruth, Morrillio and Rasmussen.

The season was one of the most successful ever had, with all three teams on top in the northern part of the league.

T R A C K

In track more than other sport, the Crimson and White soared to unexpected heights. As one famous American puts it "Let's look at the record."

Five meets; four Roblan victories.

Four new school records.

Eight out of twelve firsts in the county meet. More than any one school has ever taken.

And, as Coach Beiden says, "the payoff"—SEVEN county records!

The season got under way with the Roblan dropping slightly in an extremely close meet with Taft. The valley men made away with a small advantage in the point total. In the next meet, Paso Robles came back with something more than a major earthquake when they splattered red and white digits all over King City's huge invitational scoreboard in both A and B divisions to win with thirty-nine points while Hollister came in a weak second with 14. The Hollister invitational, a week later was likewise a walkaway for the "Beiden Boys." After the SLO practice meet, which sent Pasos' third victory flag flying high, came the county.

The '37 "county" will never need the

"printed word" to bring to mind the unprecedented performance turned in by Coach Beiden's cinder artists. Imagine if you can, one team amassing a total of 61 1/2 points, one team establishing seven county records; the same team taking more firsts than any other school ever has.

The team, of course, was Paso Robles. There isn't much that can be said of such a performance without dealing in details that would run us clear off the bottom of the page. It is enough to list the records and their holders.

In the polevault, Larry Hewson soared 12 feet 1/2 inch, Jay Moody broad-jumped 22 feet 1 1/2 inch, Bob Edwards high-jumped 6 feet 5/8 inch, and, in the B section, Schneider ran a 3.29 for 3/4 mile or 1320 yards and Iron Man Brazzi nabbed two records: one in the football throw with a toss of 169 feet, and the other in the shot which he heaved forty-seven feet five inches.

For the analytical mind, other high marks established this year include a 2.05 in the 880, credited to Cliff Fast, a 51.8 in the 440 turned in by Sinclair, and in the B class a 10 flat in the 70 yard high hurdles made by Roland Coates.

B A S E B A L L

A nucleus of three returning lettermen a handfull of subs, and a flock of underclass "would-be's" was the rather flimsy foundation on which Paso based hopes of a first class baseball nine.

To say the least, the outlook in March was a far cry from the final accomplishments of the Bearcat squad in May.

Jumping into the middle of things, we find the climax of the ten game season was reached in the Templeton fracas on April 16. In this near-historic meeting, 19 green-shirted soldierboys marched to the plate, stood at attention while Sheely whizzed three strikes under their noses and then

marched back again without even as much as moving the gun off their shoulders. With this impetus, the Beiden Boys rolled on to a 10-1 victory.

Of the other 9 games the Bearcats took 7 and lost two. Right through the season, the games went like this: Arroyo Grande defeated 5-3, Shandon defeated 10-4, Cambria defeated 16-0, Taft defeated 4-0, Taft victorious 5-4, Shandon defeated 8-2, Atascadero victorious 3-2, Templeton defeated 10-1, (the game in which Sheely struck out 19 men) and then Atascadero ended our baseball season as they did our football year, with a Bearcat scalp. This time the score was 4-3.

SPEEDBALL

Jean Smith, Ruth Johnson, Lillian Swayze, Dorothy Wolf, Suzanne Vorrath, Mary Belza, Lillian Bayer, Lilly Bryant, Miss McPeak, Eunice Nicklas, Marie Bayer, Margaret Fairbairn, Garnett Pyeatt, Irene Akers, Doris Morehouse, Marion Flamson, Caroline Weaver, Carolyn Lones.

Under the supervision of Miss McPeak, the basketball games of the year, were run off with a great deal of enthusiasm. The interclass games and practices were held at noon, instead of after school, which made it possible for every girl to participate in the activity. The classes were divided into "A" and "B" teams.

Under the captaincy of Faye Boatman, the seniors, with their excellent passing and plenty of "fight," won the championship over the "A" teams. The Juniors, under the captaincy of Suzanne Vorrath, came in second.

The sophomores, with Pauline Harris as their captain, became "B" "champs." The following are the standings of the "B" teams: Sophomores, won 3 lost 1; Juniors, won 2 lost 1; Seniors, won 1 lost 3; Freshmen, won none and lost 3.

Although the weather proved chilly, and the field contained ever so many mud puddles, all the speedball teams showed their fighting ability and good sportsmanship. The Juniors, with Irene Akers as captain, closed the speedball season victoriously by winning the hard-earned championship. The seniors, under Lillian Hirschler, were second. The following are the scores which were run off: juniors vs. seniors 3-0; seniors vs. freshmen 4-0; juniors vs. sophomores 7-0; seniors vs. sophomores 3-0; sophomores vs. freshmen 0-0; juniors vs. freshmen 5-0.

S P O R T S

Off to a flying start in another major sport, the volleyball season proved to be very successful. The hard working, determined Sophomores won the championship, under the captaincy of etty Halter. All teams played with good sportsmanship and excellent fight.

This spring there was a bigger turnout for tennis than in the previous years. Great enthusiasm was showed in the play offs of the tournaments. Eventually we hope to acquire good tennis teams.

The players of the handball games, played with a great deal of nimbleness. the handball enthusiasts this year played all

games off in three rounds, and all the games proved to be very interesting.

Unlike any other year, baseball began in the middle of May, and was the last sport of the year. Due to the lack of a sufficient number interested, the Seniors were not entered in the interclass contest. The games were played off during the noon hour.

Swimming was enjoyed by the girl's physical education classes this year. Twice a week the girls journeyed to the Sulphur Plunge for their classes. All showed great eagerness in learning their strokes and dives.

Susie Ruth: A certain young man sent me some flowers.

Gerry Harris: Never say a 'certain' young man, 'cause he's never certain until you've got him.

A doctor to Squid Rougeot: Frequent water drinking will prevent you from becoming stiff in the joints.

Squid: Yes, but some of the joints don't serve water.

Mr. Flamson: Why is a nautical mile longer than a land mile?

Student: Because things swell in water.

Mary Jane Sheely: What was Chetter fouled for?

Dorothy Fisher: For holding.

Mary Jane: Now, isn't that just like him?

Miss Ayars: What is a cannibal, Kenneth?

Kenneth Sinclair: I don't know.

Miss Ayars: Well, if you ate your mother and your father, what would you be?

Kenneth: An orphan!

Larry (crossing the street): Say, Duane, you just missed me.

Duane Mitchell (in his Ford): Stand still and I'll try again.

Chester Smith: Who was the last man to box Joe Sullivan?

Charles Gustafson: The undertaker.

Kenneth Sinclair: No, how come?

"Les": Yea, I can turn a car into a driveway.

Mr. Nugent: I forgot my umbrella this morning.

Mr. Whinnery: How did you remember you forgot it.

Mr. Nugent: Well, I missed it when I raised my hand to close after it had stopped raining.

Mr. Nugent: You ask too many silly questions. Don't you know that curiosity killed the cat?

Bill Livingston: What did the cat want to know?

Jay had fallen down stairs and Anna was bending over him anxiously.

Anna: Oh Jay, did you miss a step?

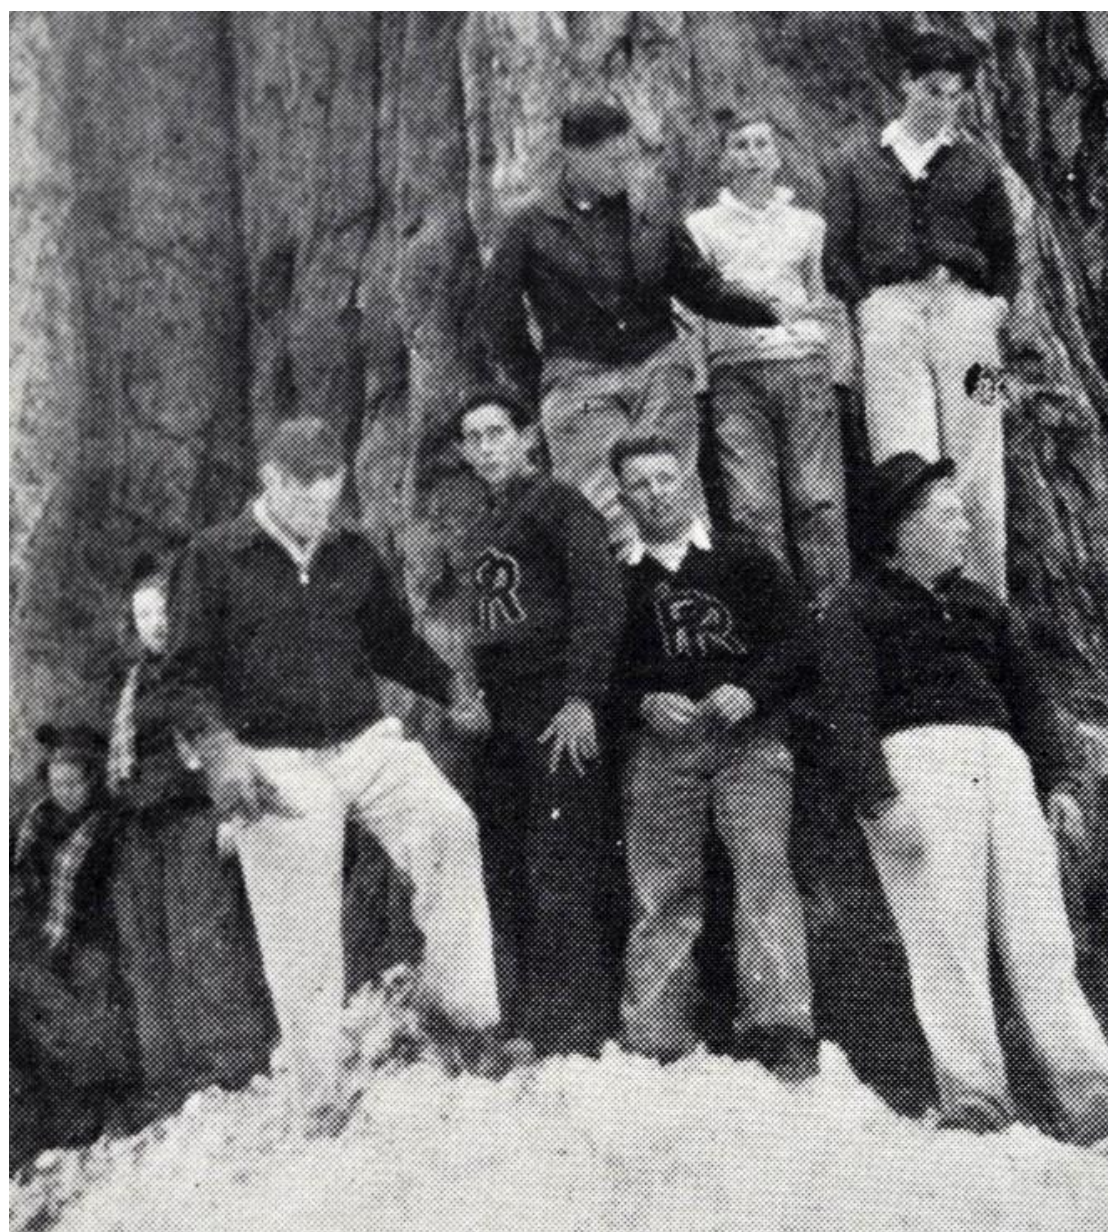

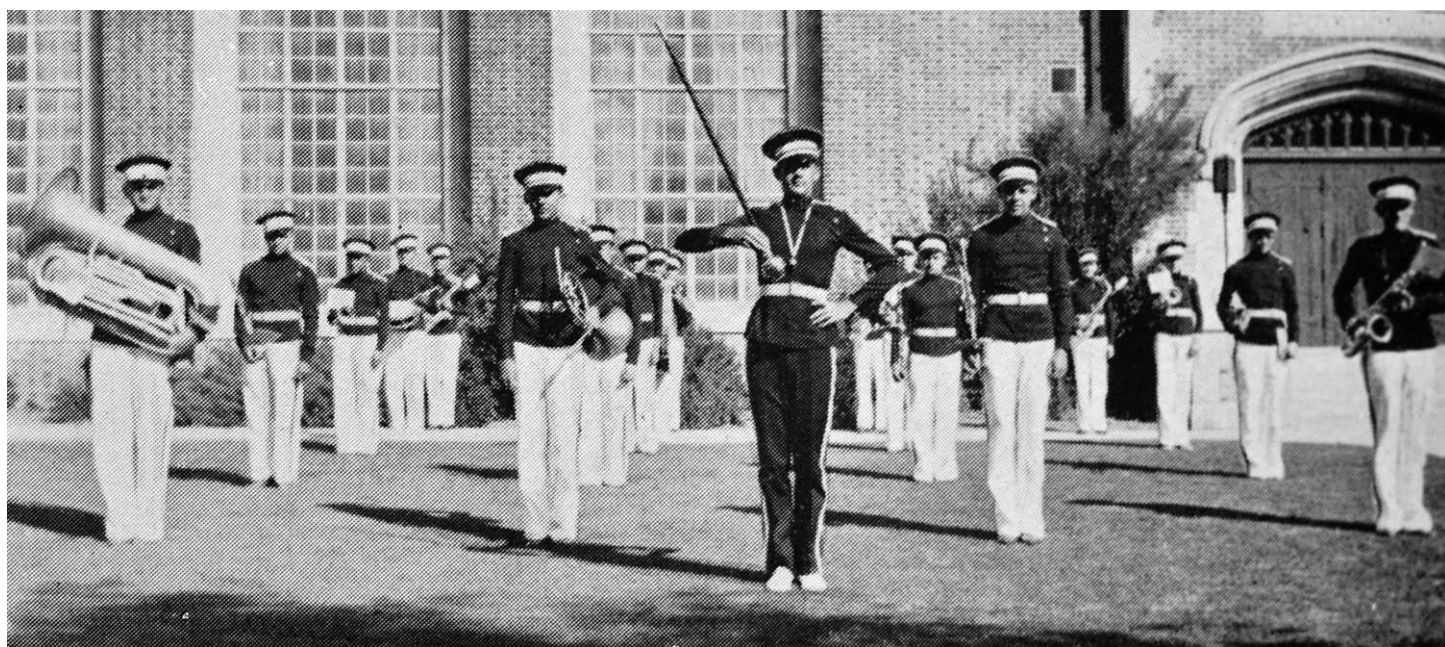

Jay (moaning): No, I hit 'em all!

Frank Toner: Would you rather have a man with a past or a future?

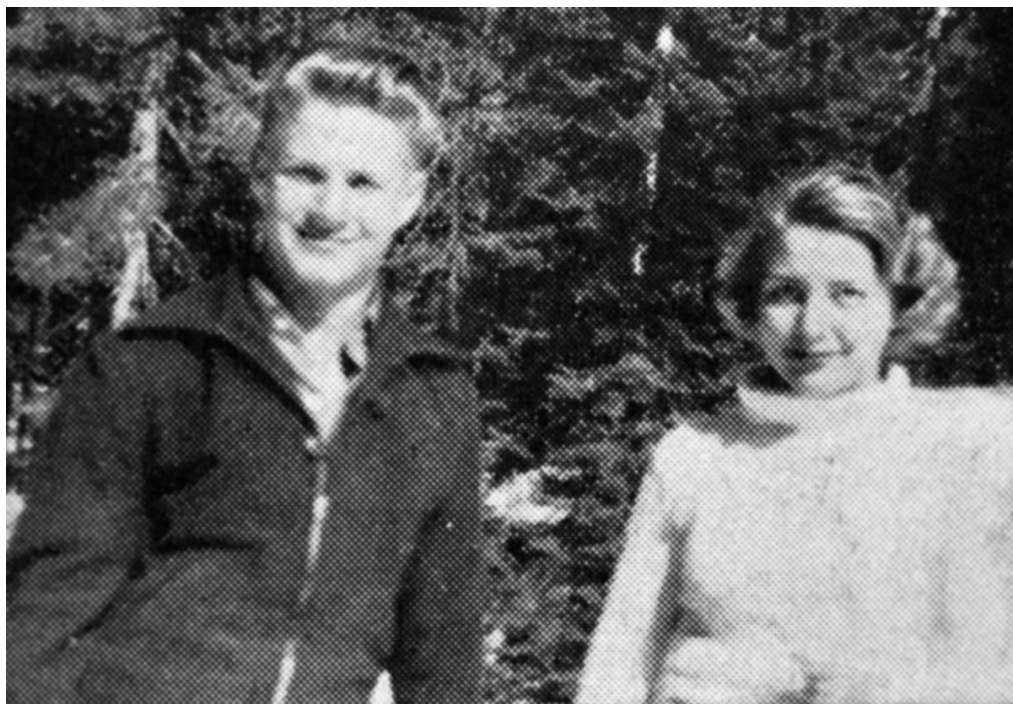

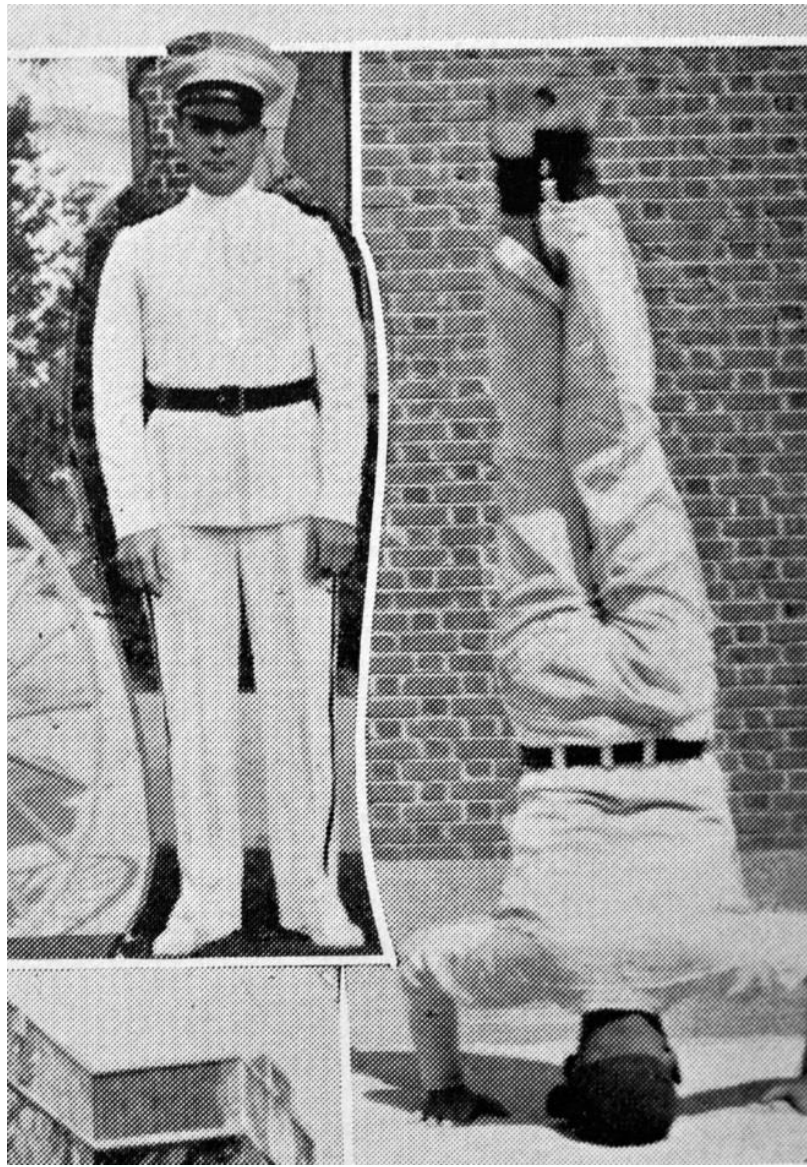

Audrey Orcutt: I'd rather have a man with a present.

And so ends this look at Mildred's 1937 yearbook. After some detective work, we've concluded the following:

- Mildred Vasquez is also Mildred Cork.
 - There is no picture of a Mildred Vasquez in the whole yearbook.
 - The author's "My hopes and plans for the future" answer is "To be a good wife to my beloved husband."
 - Teacher Virginia Ayers refers to her as "Corkie" on page 7

Our favorite pages are the Ship's Log, which shows how creativity and pirate vocabulary mastery combine to truly entertain the reader.
